Meet 5 people from Splendido

James Edwartoski

EXPERIENCE DIRECTOR

James leads the team at Splendido in creating extraordinary experiences for residents, guests, and visitors. He previously headed up a large Life Plan Community in Florida, and has a strong background in running smooth operations, guiding staff to find their best potential, and ensuring special extra touches in every aspect of the community. James Ages Well by being open to and engaging in personal and professional growth.

Beth Ernst

ADMINISTRATOR, SONORA

Beth oversees the health center at Sonora, including assisted living, memory support, Medicare-certified skilled nursing, and rehab. Beyond her focus on health care management, she boasts a background in fitness and wellness. She says, "My job allows me to do what I love, which is working with older adults, building relationships, and helping residents continue to Age Well." She Ages Well by hiking, playing with her dogs, and discovering Arizona's natural beauty.

Robert Kaslly

EXECUTIVE CHEF

Chef Robert sets the tone for culinary experiences at Splendido. He brings unique creativity to our ever-changing menu offerings, along with a passion for incorporating fresh, seasonal ingredients. Robert is an affiliate of Le Cordon Bleu, a Certified Executive Chef through the American Culinary Federation, and serves on the advisory board of the Art Institute of Tucson. He Ages Well by spending time hiking, mountain biking, and kayaking with his family.

3 kinds of peace of mind

At Splendido, we take care of someday so you can live your best life today. This means you can continue to do what you love, follow your dreams, and enjoy the peace of mind that comes from having planned ahead, with:

Investment Protection

A 90% refundable investment, with a refund guaranteed within a maximum of 120 days

Predictable Costs

Health care costs will only continue to rise. Limit your risk of unpredictable increases by making a move to Splendido. Our on-site health center, Sonora, provides a continuum of care.

The 90-Day Plan provides up to 90 days of care at Sonora upon permanent relocation, at virtually no increase in your monthly fee. (Additional charges will apply for extra meals, medications, personal physician fees, and other ancillary charges.) Upon the 91st day, residents pay the daily rate for coverage for health care expenses. If you have long-term care insurance coverage, it may supplement those costs.

The Life Care Plan offers you an unlimited amount of additional care in Sonora (upon permanent relocation) at nearly the same monthly fee you would pay if you had remained in your Terrace or Villa Home, regardless of the level of care needed. (Additional charges will apply for extra meals, medications, personal physician fees, and other ancillary charges.) This plan also provides a limited number of days for temporary care stays.

✓ Life Care Options

Splendido allows you to choose your preferred plan for any “what ifs.” You make this choice while you’re healthy, so you’ll be prepared to meet your health care needs—both expected and unexpected. Sonora at Splendido, our on-site health center, provides assisted living, memory support, rehabilitation services, and Medicare-certified skilled nursing:

Coronado Assisted Living. Residential living is combined with comprehensive assisted living services, enabling residents to remain as independent as possible. Caring staff members provide assistance with daily tasks such as dressing, grooming and medication reminders. Private one-bedroom apartments are equipped with 24-hour MyCall® emergency call systems and safety features.

Madera Memory Support. Sonora at Splendido’s Memory Support Program emphasizes ability over disability and strengths over limitations. From responsive programming to a soothing décor, our goal is to make residents feel comfortable and encourage self-reliance through familiar activities, such as table-setting, bed-making, and tidying up. Caring staff are nearby to assist and complete tasks when needed. Occupational programs, music, arts, and crafts are just a few of the many activities residents enjoy. Family and friend participation is always welcome.

Sabino Skilled Nursing. Professional nurses provide care when short-term recuperative or long-term care is required. Medicare-certified skilled nursing care is designed for individuals requiring recovery support due to illness or surgery, concentrated rehabilitation services, or ongoing long-term care. Offered in spacious, homelike suites, our approach supports the rehabilitation process in a caring and supportive setting. Residents who meet the qualifying stay requirements, either from Medicare or through their physician’s instructions, may receive skilled nursing care.

Rehabilitation Services. An array of rehabilitation services, including physical, occupational, and speech therapy, are offered at Sonora on a fee-for-service basis, or through Medicare Part B benefits.

Plenty **2** do every day

The wonderful thing about Splendido is that everyone is always thinking ahead and looking forward. You'll find an atmosphere of constant curiosity with the chance to explore and discover, refresh, and renew. We call it Repriorment™.

Programs on any given day may include inspiring social, recreational, educational, and cultural programs; transportation to shopping and cultural outings; wellness, fitness, and exercise programs; cooking classes and demonstrations; and much more.

If you don't want to be pinned down to the day's scheduled events, you can catch a movie in Cinema Delfino, read a bestseller in the library, take a stroll through our professionally landscaped walking paths, or break the course record at our 18-hole putting course.

re • pri • or • ment™ (n.)

A philosophy found at Splendido, which inspires residents to explore all those pushed aside (but not forgotten) priorities they've wanted to revisit.

Repriorment™ can be experienced independently or through our fresh mix of expert-led programming.
