

July 17, 2020

Dear Splendido Residents,

Splendido has no known new cases of COVID-19 among Splendido residents or employees. We have been conducting routine testing for Sonora residents and employees who work at Sonora. The resident tests from last week were all negative. This week we are actively testing employees.

The current availability of amenities is going well—so well that we recently expanded offerings for some:

- **Michelangelo Art Studio** is now open every day of the week, including Saturdays and Sundays, on a first-come, first-served basis. The room capacity is four artists; one per table. This has been working out very well.
- **Get Fit:** We've added Saturday morning hours for the fitness center. Our hours are Monday-Friday 7:00 a.m.-4:00 p.m. and Saturday 8:00 a.m.-1:00 p.m.
 - Please make your appointment at least one day in advance using the reservation book located on the buffet in the main lobby, across from the Living Room.

Many thanks to residents for demonstrating patience and diligence with specific protocols for each area in the community. Please continue to hold each other accountable with friendly reminders about distancing and proper mask usage.

FRIENDLY REMINDER

- **We must all wear masks or face coverings when outside of our Villa or Terrace Homes. This is a requirement.** *There is more evidence to suggest wearing a face covering or mask and practicing physical distancing helps minimize the transmission of the virus.* Please **cover your nose and mouth** when wearing a mask and keep it on to protect yourself and others.
- **Maintain physical distancing.** Keep at least 6 feet of space between yourself and others.
- **Wash your hands often.** Use soap and water for at least 20 seconds or an alcohol-based sanitizer.
- **Cover your cough or sneeze with a tissue.** Discard the tissue in the trash and wash your hands.

Questions? Please call (520) 878.2601 or email bewell@splendidotucson.com.

Take care and stay well.

Sincerely,

James C. Edwartoski
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.

COVID-19 SYMPTOMS

If you are experiencing any of the following symptoms, you should contact your physician for guidance, stay in your home, and notify the Concierge at (520) 878.2600. Symptoms include a loss of taste or smell, cough, fever, sore throat, shortness of breath, and gastrointestinal issues such as diarrhea, nausea, or vomiting. Newer symptoms include headache, chills, and muscle pain. Please note that pink eye, eye pain, or vertigo, as well as discoloration of the toes may also be COVID-19 symptoms.
