

COVID-19 UPDATE

December 31, 2020

Dear Employees of Splendido,

As a result of routine testing, we learned yesterday, December 30, 2020, **that one resident in Independent Living and one employee who works in Independent Living have tested positive for COVID-19.**

Splendido is interviewing the employee to determine if he/she was in close contact with residents and/or other employees and individuals will be notified.

COVID-19 VACCINE NEWS:

Monday, January 11 is the date that ALL Splendido employees and Sonora residents can receive the COVID-19 vaccine. This is an exciting opportunity for you to be part of the first group that receives the long-awaited vaccine, and we hope you will take advantage of it.

You must complete a consent form by Thursday, January 7 in order to receive a vaccine. Consent forms will be available at our testing times on January 3, 4, 6, and 7, or, if you are not scheduled for testing, you can ask for a form from the Concierge. Note that minors must get a parent's signature.

We strongly encourage employees and residents to be vaccinated (unless there is a medical condition or factor that serves as a reason not to). The vaccine is an important part in stopping the spread of COVID-19, and can help protect you, your family, your colleagues, and those you serve.

If you have questions or concerns about the COVID-19 vaccine, please seek guidance from your health care provider.

Wishing you and your families a safe and Happy New Year.

Sincerely,

James C. Edwartoski
AVP & Executive Director

COVID-19 VACCINE FACT

People who have gotten sick with COVID-19 may still benefit from getting vaccinated.
