

COVID-19 UPDATE

January 1, 2021

Dear Splendido Residents,

We wanted to inform you that we learned yesterday and today that **the following individuals have tested positive for COVID-19: a resident living in Independent Living, an employee who works in Independent Living, and an employee who works in Sonora.**

This is in addition to the cases reported in my letter of December 31. These individuals are following guidance from their physicians. We wish them a speedy recovery. Splendido is interviewing these individuals to determine if any of them was in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals will be notified.

We will continue to test employees in Independent Living and in Sonora twice a week.

BE VIGILANT— PRACTICE THE THREE Ws:

WEAR A MASK: Keep your nose and mouth covered.

WATCH YOUR DISTANCE: Keep at least 6 feet of space between yourself and others.

WASH YOUR HANDS OFTEN: Use soap and water for at least 20 seconds, or use an alcohol-based sanitizer.

Wishing you and your families a happy and healthy New Year.

James C. Edwartoski
AVP & Executive Director

PLEASE SELF MONITOR FOR COVID-19 SYMPTOMS

If you are experiencing any of the following symptoms, you should contact your physician for guidance, stay in your home, and notify the Concierge at (520) 878.2600. Symptoms include a loss of taste or smell, cough, fever, sore throat, shortness of breath, headache, chills, muscle pain, pink eye, eye pain, vertigo, discoloration of the toes, and gastrointestinal issues such as diarrhea, nausea, or vomiting.
