

COVID-19 UPDATE

January 30, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **an employee who works in Sonora has tested positive for COVID-19**. We wish this individual a speedy recovery.

Splendido is interviewing this individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

If you feel ill at all—even with mild, cold-like symptoms—please do not come to work. Call your manager immediately: we can provide some guidance regarding your situation.

Please continue to follow these three simple steps. They are the most effective way to reduce the spread of the virus:

1. Practice **good hand hygiene** by washing your hands frequently for 20 or more seconds, or using hand sanitizer.
2. Practice **physical distancing** with others.
3. **Wear a surgical face mask** that covers your mouth and nose any time you are indoors in public.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
