

COVID-19 UPDATE

May 20, 2022

Dear Splendido Residents,

We wanted to inform you that we have learned that **two residents in Independent Living have tested positive for COVID-19**. We wish these individuals a speedy recovery.

Splendido is interviewing the individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

We recognize that people are out attending family functions or social gatherings. As cases are increasing in our area – we encourage you continue to practice strong infection control measures.

- Practice good **hand hygiene** by washing your hands frequently for 20 or more seconds.
- **Wear a mask** that covers your mouth and nose when you are outside of your apartment home.
- Please **stay home if you feel ill** – even with mild, cold-like symptoms.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
