

# COVID-19 UPDATE

May 23, 2022

Dear Splendido Residents,

We wanted to inform you that we have learned that **one resident in Independent Living and one resident who lives in Sonora have tested positive for COVID-19.** We wish these individuals a speedy recovery.

Splendido is interviewing the individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

## **REDUCE INFECTION**

Please take the following steps:

1. Please protect yourself by **wearing a good-quality face mask that covers your mouth and nose any time you are indoors in public.**
2. **Practice good hand hygiene** by washing hands frequently for 20 or more seconds.
3. Please **stay home if you feel ill** – even with mild, cold-like symptoms. **If you think you have COVID-19 or were exposed to COVID-19, get tested.**

Take care and stay well.

Sincerely,

James C. Edwartoski  
AVP & Executive Director

*PS: Please note that this letter is being shared with all residents' current emergency contacts.*
