

COVID-19 UPDATE

August 4, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **two Independent Living residents have tested positive for COVID-19**. These are new cases, not previously reported. We wish the individuals a speedy recovery.

Splendido is interviewing the individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

PLEASE WEAR A FACE MASK:

The COVID-19 transmission rate for Pima County is considered “high,” and wearing a face mask is a simple measure to protect yourself and prevent the spread of COVID-19. **Please wear a mask when you are indoors in a public area.**

If you experience any symptoms of illness—even mild signs of a cold or allergy—we strongly encourage you to stay home and avoid spreading any illness you may have. **If you think you have COVID-19 or were exposed to COVID-19, get tested.**

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
