

COVID-19 UPDATE

March 23, 2023

Dear Team Members at Splendido,

Although the number of cases of COVID-19 is down in our community and in our region, we ask that you continue to take steps to protect your health and the health of those around you. The following three steps are effective against COVID-19, colds, and flu!

- 1. Wear a face mask when you're in a group setting.**
- 2. Practice good hand sanitation.**
- 3. Stay home when you feel ill.**

UPDATE ON COVID-19 IN OUR COMMUNITY:

This update encompasses the period from March 8 through 21. **During those weeks, we learned that the following individuals have tested positive for COVID-19:**

- **1 Sonora resident**
- **2 Independent Living residents**
- **2 employees who work in Independent Living**

Splendido has interviewed the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes), and notified any affected individuals.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
